# Library News : for February, 2011

From the Desk of Joyce Smith

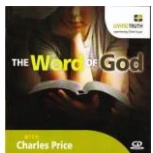

We have received a marvellous series of audio CD's; Living Truth – experiencing Christ in you with Charles Price. We wish to thank Jayden for the donation. These are a wonderful way to spend a few hours with the Lord. It would be a great opportunity to have people in for coffee, listen to the CD and have a meaningful discussion with your brothers and sisters in Christ. Please stop in the library and check them out; a wonderful learning tool.

**The Growth of a Disciple-** To be on solid ground, no half persuasions, delusions or doubt... Richly empowering, this takes you there. Charles Price provides an in depth exposition on the last letter the Apostle Paul wrote to Timothy and brings invaluable teachings to modern day lives, filled with uncertainty.

**Journey into the Heart of God-** Love comes from the heart. To love someone, we need to know them intimately – in fact we need to know their very hearts. God is no different. To love Him deeply, we need to know His heart. We will learn to enjoy a growing intimacy with God as we take a personal journey into His heart.

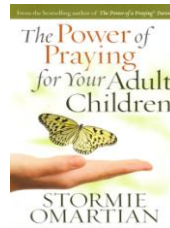

**The Word of God-** We use words to communicate our thoughts and feelings. God does the same. He uses words to speak to us. We will never know God unless we hear His Word, meditate on it, believe it, and obey it. Discover the joy of exploring the eternal truth and the beauty in this uplifting series of messages.

**Here am I, Exodus; send someone else-** The word exodus literally means “the road out”. There are two stories told simultaneously alongside each other, one historical and the other spiritual. Moses was chosen by God to deliver Israel from physical bondage; Christ was chosen to deliver from spiritual bondage. Do you long to live a life of freedom in Christ? Let Charles Price show you through the word of God to lead you to a better understanding and inspire you to take the “road out”.

**Staying On God's Agenda-** Discovering Jonah. Discover how to recognize God's agenda for situations that come up in daily living. Using Jonah as an example, Charles Price shares his insights on recognizing God's voice. Through this series you will learn how to let God direct your life.

**The Power of Praying for your Adult Children- Author Stormie Omartian**

“Lord, teach me to pray for my adult children. I know you are greater than anything they face. Thank you that my prayers for them have power because you hear me and will answer. I pray you will guide and protect them and help them to become all they were created to be.”

Perhaps you are watching your children step out into the world and wishing you could do more to support them. You can. It doesn't matter how young or old they are, you can rest in the power of God working through your prayers. “When we take our concerns to the Lord” – trusting that God hears our prayers and answers them on behalf of our Adult children- it means our prayers have power to effect change in their lives”, says Stormie. “And that gives us a peace we can find no other way”.
